

Privacy Policy of the Outpost24 Group for Android App

Purpose of the Policy

This Privacy Policy describes how the Outpost24 Group (“We”) protect your privacy and how we use the information about you (“Data”). The service we provide consists of using the camera on your phone to scan your QR code and then use the QR code to log into our product (“Service”), by connecting to our server. The server stores information on source IP, application version and application token.

At the core of our Service is the belief that your data belongs to you and to you alone. We only use your Data to provide you the Service, which enables you to log into your profile for our product. We do not share your Data with third parties, and We do also not allow anyone else to use or access your Data outside the purposes for delivering the Service to you.

Any Data We are in possession of about you are protected and handled in accordance with:

- *The Swedish Personal Data Act (1998:204) (PDA) (Personuppgiftslag). This implements Directive 95/46/EC on data protection (Data Protection Directive).*

- *In addition to the PDA, supplementary regulations are the Personal Data Ordinance (1998:1191) (Personuppgiftsförordningen) and the statute book (DIFS) of the Data Protection Authority (DPA) (Datainspektionen).*

What Data We collect

- QR-code/Unique identifier
- Access time
- Access source address

How We protect your Data

We take all reasonable efforts to ensure the Data collected by the Service, remains confidential, and is protected from disclosure or unauthorized amendment.
